Prev Article Next Article Next Article lessonsenglish 10 months ago Irregular Adjectives that do not change form by adding -er/-est or more/most. They do not obey the typical rules when their forms are changed and they can confuse us. We will talk about irregular adjectives and check their examples but in order to examine them, there are some issues that should be introduced. Let's start. Introduced. Let's start. Introduced and more about a noun or pronoun. There are three forms of adjectives: regular, comparative and superlative. The regular form describes one noun. For example, 'Jamie is a beautiful describes one noun. For example, 'Jamie is a beautiful describes one girl. The comparative form, compared to each other. The superlative form, compares more than two things. For example, 'Jamie is the most beautiful girl in town'. In this sentence, Jamie is being compared to every girl in town. The usual way to change an adjective to its superlative form is also pretty easy. We just add '-est' or the word 'most' before the adjective. Let's take a look at examples of some adjectives and their three forms: regular adjective comparative superlative old older oldest great more successful most successful Piece of cake, right? Irregular Adjectives & Examples As we mentioned before, some adjectives do not follow the standard patterns when they are changed from one form to another. We call these adjectives, irregular adjectives. biggest successful bigger Irregular adjectives go through more radical changes when their forms are being changed. Here is a list of irregular adjectives in English: regular adjective comparative superlative bad worst far further furthest good worse

most Don't let that list scare you. The key is practicing. The more we read / write, the better we learn and that's exactly what we are going to do. Let's take a look at some example sentences: least much/many Men are worse drivers than women. (comparative) -You are the worst driver I have ever met in my life. (superlative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further because the road was blocked. (comparative) -They couldn't go any further blocked. (comparative) -They couldn't g had. (superlative) -She entered the room later than I did. (comparative) -He was the last to joined the conversation. (superlative) -She was paid the least amount of tea of anyone there. (superlative) -She was paid the least amount of tea of anyone there. happiest.
